New Happenings

Students have been working on reflexive pronouns, creating compound and complex sentences, tone of voice, self control, multiple meaning words, analogies, and idioms. We have also been reading articles from the Social Times and listening to articles from Wonderopolis and NewsELA.

Parent Tips

Following is a list of suggestions to practice speech sound productions at home.

1. Practice your sound 25 times before and after you brush your teeth.
2. Practice your speech sound for 5 minutes before dinner.
3. Practice your speech sound during commercials of one TV show.
